---

## PROFESSIONAL EXPERIENCE

Jan 2021 - Aug 2022

### Ambassadori Tbilisi

#### IT Technical Support Representative

Sep 2022 - Oct 2022

### FIBA, Eurobasket 2022

#### IT Support Specialist

Diagnosed and resolved hardware/software issues for diverse customers, providing guided support and troubleshooting via phone. Set up employee equipment, installed devices/software, addressed inquiries, and conducted basic repairs to enhance performance.

Aug 2023 - Aug 2023

### Trippsters

#### Full stack web developer

Created a website for a travel company with features like booking a tour and managing the business in general. For this I used WordPress.

July 2023 - Jan 2024

### ParlonsPC, Montpellier

#### Full stack web developer

As a Full Stack Web Developer, I focus on seamlessly integrating front-end and back-end technologies to deliver complete web solutions. In this role, I used React for the frontend and PHP for the backend, and I built a secure authentication system. My work ensured efficient user access management and overall application security.
